

Extremely quiet
thanks to new technology
RS 05 Silent

RS 05 Silent

The ergonomically adapted support frame of this light-weight dry vacuum cleaner ensures fatigue-free working even after hours. The practical backpack design favours the radius of action and guarantees efficient cleaning of textile floor coverings and hard surfaces such as parquet, linoleum and stone. A further operating convenience is the suction power control integrated in the handle.

- Ultra ergonomic
- Ideal for staircases
